Corporate Social Impact - Sponsorship

Elevate social impact and employee engagement with uplifting programs

Passive Giving vs Active Engagement

Is your company looking to partner with an organization that engages your employees to easily make a difference in the lives of youth in our community?

Employee Engaging Community Programs

Shooting Stars Foundation provides an active engagement model for your employees to participate in various way. Our **education** programs focus on several critically needed areas – Hackathons, STEM, Entrepreneurship, Incubator, Cybersecurity, Data Science Camps (online now)

Why Sponsor?

- ✓ Excite company employees to collectively volunteer in areas of expertise
- ✓ Empower local youth to embrace Entrepreneurship or STEM careers
- ✓ Sponsor college education for a first-time STEM graduate in a 3rd world country
- ✓ Be known in the local community as a supporter of education and STEM initiatives

Corporate Success Stories
